Funding for Remembrance

Veterans Affairs Canada — Commemorative Partnership Program

If your branch, association, school, or community group has a remembrance project, this federal program can help pay for it. This sheet shows how to apply — on your own, in your organization's own name.

WHAT IT FUNDS — COMMUNITY ENGAGEMENT

Commemorative activities and events, and commemorative resources such as learning materials. A separate stream funds community war memorial projects. Your project must commemorate the achievements and sacrifices of those who served Canada since Confederation (1867), and must have a clear start and end date.

WHO CAN APPLY, AND HOW MUCH

- Non-profit and for-profit organizations, and provinces, territories and municipalities — in Canada or abroad
- Individuals and federal organizations are not eligible
- Local projects: up to $5,000 · Regional projects: up to $10,000
- Applications for local and regional projects are accepted year-round

HOW TO APPLY — IN FIVE STEPS

1. Read the Community Engagement guidelines on veterans.gc.ca (scan the code below).
2. Shape the project: what it is, who it reaches, start and end dates, an itemized budget, and the results you will report.
3. Apply early — only expenses from the date Veterans Affairs Canada receives your application can be reimbursed.
4. Submit through VAC's virtual portal only — cpp-ppc.vac-acc.gc.ca. Applications are no longer accepted by mail or email.
5. VAC aims to decide within about 12 weeks of a complete application. A final report is required when the project ends.
