SOARING EAGLES FOUNDATION

A free service for Veterans and their families

Your Veteran’s Story

How to get a family member’s Canadian Armed Forces military service record

A free help desk that walks your family, step by step, through Library and Archives Canada: who may apply, the proof of death that unlocks a file, the application itself — and what to do when the record arrives.

- Free in full — nothing is sold, nothing is asked
- For any family member’s service — a parent, a grandparent, a spouse, a loved one
- Guidance from a Canadian family that has walked this road itself
